SABYINYO SILVERBACK LODGE

Parc National Des Volcans- Rwanda

“A spectacular forest retreat situated on the foothill of the Virungas- Home to the elusive mountain gorilla”

PARC NATIONAL DES VOLCANS

Situated in the far northwest corner of Rwanda, the Parc National des Volcans protects the steep rainforested slopes of the magnificent Virungas mountain range. Home to the rare mountain gorilla, the Virungas volcanoes span Rwanda, Uganda and the Democratic Republic of Congo, with the Parc National des Volcans being the Rwandese element of this ecosystem. The lush slopes of these volcanoes provide a dramatic natural setting for one of the most thrilling and memorable wildlife experiences - seeing the mountain gorilla in its natural habitat. Roughly half of the world’s wild population of mountain gorillas are resident on the Rwandan slopes of the Virungas.

THE SPIRIT OF SABYINYO SILVERBACK LODGE

Hidden amongst the foothills of the spectacular Virungas – a chain of 15 000 foot volcanoes that lie in what is thought to be the heart of the legendary land of King Solomon’s mines, is the beautiful **Sabyinyo Silverback Lodge**. Here, surrounded by the tropical forests of Rwanda, just a stone’s throw away from the renowned Parc National des Volcans, guests can unwind in one of five luxurious stone cottages, two suites or, for small groups, an elegant family suite – each with a large sitting room, fireplace, stylish ensuite bathroom and private veranda.

Scrumptious menus can be savoured in the beautiful dining room and refreshing sundowners can be enjoyed on any one of the two patios that provide breathtaking views of the Virunga volcanoes. After an adventure-filled day guests can retreat to the library cum games room or brush up on their knowledge in the responsible tourism/community awareness room. Adventures include hikes into the Parc National des Volcans in search of the majestic mountain gorilla and the enchanting golden monkey, cultural excursions, visits to the lava flows outside Ruhengeri town and vibrant village markets or to the Dian Fossey Memorial and Research Centre.

WHAT WE LOVE ABOUT SABYINYO SILVERBACK LODGE

- Put your hiking boots on and enjoy an excursion to see the beautiful golden monkeys
- Be adventurous and visit the lava flows outside Ruhengeri town

GIRAFFE MANOR

Nairobi- Kenya

“An intimate hotel situated on the outskirts of the vibrant capital of Nairobi”

NAIROBI

Kenya’s capital is one of the largest and most influential cities in Africa, an important commercial and financial regional hub. It is the port of entry for most travellers to Kenya and offers bustling markets, interesting history and numerous attractions. Named after a Maasai watering hole, “enkare nyarobi”, which means “place of cool waters”, Nairobi is known for its leafy streets and parks. The skyline, with towering skyscrapers and imposing architecture also draws the attention of every arrival to the city. Not-to-be-missed is a visit to the city’s beautiful Uhuru Park.

THE SPIRIT OF GIRAFFE MANOR

Surrounded by vast acres of indigenous forest, the elegant **Giraffe Manor** is famous for its resident herd of giraffe that casually wander around the hotel grounds. Beautifully-furnished rooms include comfortable four-poster beds and well-appointed bathrooms.

Guests can tuck into hearty breakfasts, lunch on light meals and kick start their evenings with refreshing cocktails served around a crackling fire, followed by superb gourmet dinners in the inviting dining room. Those in need of pampering can soothe their aching muscles with massages, whilst the energetically-inclined can enjoy invigorating workouts. Guests keen on exploring their surroundings can venture out to the nearby museums, galleries, markets and shopping centres in bustling Nairobi.

WHAT WE LOVE ABOUT GIRAFFE MANOR

- It is the only place in the world where you can feed and photograph the giraffe over your breakfast table, view them from your front door and peer at them from your bedroom window.
- Enjoy guided walks through the surrounding forests and learn about traditional uses of the varied flora, view some of the 180 bird species and perhaps meet a warthog or bushbuck.

&BEYOND BATELEUR CAMP

Masai Mara National Park- Kenya

“A romantic tented camp situated on the edge of the Masai Mara, just below the location where *Out of Africa*’s famous final scene was filmed”

MASAI MARA NATIONAL RESERVE

Blessed with an astounding year-round concentration of animals and the climax of the Great Migration, Kenya’s Masai Mara National Reserve provides an unsurpassed wildlife experience. Covering an area of 1 510 km², the Masai Mara is a land of breathtaking vistas, abundant wildlife, and endless plains. The Reserve is a photographer’s and naturalist’s paradise with abundant elephant, buffalo, giraffe, lion and cheetah alongside the migratory wildebeest and zebra. Leopards are frequently encountered, endangered black rhino find retreat in dense thickets, and large rafts of hippo and enormous crocodiles are found in the Mara River. The Mara is also home to over 450 bird species. Situated in the &Beyond Kichwa Tembo Private Concession, which neighbours the Masai Mara, &Beyond Bateleur Camp offers world-class accommodation in the African bush. Meaning “head of the elephant” in Kiswahili, Kichwa Tembo is located on private land leased from Maasai landlords in the remote western Mara - almost exclusively explored by fly-in guests. In addition to the excellent concentration of animals, Kichwa Tembo lies directly in the path of Africa’s spectacular Great Migration.

THE SPIRIT OF &BEYOND BATELEUR CAMP AT KICHWA TEMBO

Situated below the location where *Out of Africa*’s famous final scene was filmed, this romantic and totally private camp reflects the ambience of Kenyan safaris of the 20’s and 30’s. &Beyond Bateleur Camp at Kichwa Tembo, the epitome of tented luxury, is a member of Small Luxury Hotels of the World and comprises just two intimate camps of nine tented suites each, set among the forests on the edge of the Masai Mara. The tented suites have a classic elegance with polished wooden floors and ensuite bathrooms. Each tent has its own deck overlooking the vast game-filled plains of the Masai Mara, and a personal butler will ensure every need is catered for.

Beautiful antiques adorn the comfortable sitting and indoor/outdoor dining areas, transporting guests to the heyday of classic safaris. The Camps also feature deep refreshing lap pools. Delicious Pan African meals are served in memorable settings under the stars, followed by fireside port and cigars.

WHAT WE LOVE ABOUT &BEYOND BATELEUR CAMP AT KICHWA TEMBO

- Leave the front flaps of your tent open one evening before you go to bed, so that you can fully appreciate the breathtaking sunrise the next morning.
- For a sinfully delicious tippie, ask your butler to show you how to make a Dawa cocktail – it’s heaven in a glass!
- Treat yourself to a soothing massage on the lush banks of the Mara River. Definitely a spa experience you’ll never forget.

&BEYOND SERENGETI UNDER CANVAS

Serengeti National Park- Tanzania

“A luxurious semi- permanent tented camp that moves around the Serengeti year round bringing guests within range of the Great Migration”

SERENGETI NATIONAL PARK

Famed for its vast tree-less grasslands and excellent wildlife sightings, the endless open plains of Tanzania’s magnificent Serengeti National Park boast 35 species of plains-dwelling game and prolific birdlife. The annual movement of wildebeest and other herbivores across East Africa’s Serengeti-Mara ecosystem is one of the greatest spectacles in the natural world. Over two million animals participate in this great migration, with some 200 000 zebra ahead of and 500 000 Thomson’s gazelle behind the main players - one and a half million wildebeest. The wildebeest spend the wet season on the south eastern Tanzanian plains and the Serengeti’s dry season on the plains of Kenya’s Masai Mara. The &Beyond Serengeti Under Canvas camps follow the Great Migration, bringing guests as close as possible to all the action.

THE SPIRIT OF &BEYOND SERENGETI UNDER CANVAS

&Beyond Serengeti Under Canvas reaches far beyond the bounds of the traditional Tanzanian safari - the sumptuously luxurious tented, seasonal camps move around the Serengeti year round, bringing guests within range of the Great Migration. When the Migration crosses over into Kenya, the camps remain in the remote, beautiful corners of the Serengeti, renowned for excellent resident game. The two intimate camps feature just eight ensuite safari tents each, carefully positioned in exclusive semi-permanent campsites in the Serengeti National Park. Booked on a nightly basis, each luxury ensuite mobile tent boasts a comfortable double bed, ensuite bathroom, separate w.c. and bucket shower - this is the ultimate in luxury camping. The guest areas comprise comfortable tents for dining, meeting for a pre-dinner drink, or just for whiling the time away between safaris - complete with private butler service, delicious home-baked meals, and traditional bush dinners served under the stars.

WHAT WE LOVE ABOUT &BEYOND SERENGETI UNDER CANVAS

- Have a private dinner in your tent – the peace of the Serengeti can’t be beaten!
- Ask your ranger to tell you a local story around the camp fire – he’ll have you spellbound.
